Walk-in Baths

You can still enjoy the pleasure of a relaxing, reviving bath at any stage of your life and at any mobility level

A: Walk in Lie-Dow n Baths

They look like a normal bath with a side door for easy access.

B: Walk in Shower Baths

They have a door at the side for easy access and a wider area for showering at one end.

C: Deep Soak Baths

Short Baths with a large door and a seat for sitting up and letting the water soak away your cares. Can also be accessible from a wheelchair.

D: Pow er Baths

Equipped with a motorised seat to lower you down and lift you up with ease

Available with options that include:

Power Jets and Lighting effects for mood enhancement.

Accessible bathing for total peace of mind

“My mum loves her new walk-in bath. She has regained her independence and finds it very relaxing.

The installation process was surprisingly quick. We are delighted.”

Mary O’Sullivan, Carer.

WALK-IN BATHS

The ideal solution for easy access bathing without the need to climb in or out. An easy replacement for most standard baths.

Sizes Available (LH & RH) and Reversed : 1700x750mm

Image shows left handed bath

ISUA with a toughened glass door

The Isua offers a contemporary, stylish design with sleek contoured lines, measuring 1700 x 750 mm—slightly wider than the Abalone model. It features an inward-opening, 10mm toughened glass door with an effortless lever handle for secure locking. The base is designed for enhanced slip resistance, and optional features include a soothing air spa, chromotherapy lights, and a comfortable head rest.

The Isua Reversed model provides the same luxurious features, with the glass door repositioned at the seating end. This configuration accommodates our 1400 x 800 hinged shower screen on the opposite, narrower end, adding flexibility to your space without compromising on elegance or functionality.

FEATURES:

Perfect for:
Families
Normal sized
bathroom

Contemporary, Stylish design with contoured lines

Size 1700 x 750 (50mm wider than Abalone)

Inward opening 10mm toughened glass door
